

"You displaced me in the Sultan's favor by your youth and dancing ability, but when I get through with you, you won't even be fit for a galley slave," sneers Jezebel!

Placing a leather meditation mask on Jasmin and confining her to an Arabian rack and wheel, Jezebel puts the wheel in motion a little at a time!

Soon tiring of the rock apparatus Jezebel takes the mask off and binds a wide band of steel around Jasmin's head and a mouth stretcher to distort her features so the Sultan would not look again with favor on Jasmin!

Jezebel, head keeper of the Sultan's harem lounges on her bed of silks and satins and mulls over a suitable punishment for Jasmin, the Sultan's favorite, for her disobedience!

One of the harem
servant girls comes in
to inform Jezebel that
some new additions to
the Sultan's harem had
been captured and taken
from a neighboring state!

The captive harem girls were wheeled in bound and gagged, because they had resisted capture on the raid of an old Caliph's harem in another state!

As soon as I inspect the recent additions to the harem, I'll come back and attend to you, Jasmin!

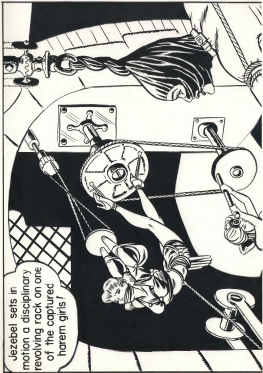

I'm going to discipline all of you severely for resisting capture, and wounding several of the Sultan's followers, Jezebel says to one of the captives!

This is just a
sample of what's
in store for you if
you ever disobey
the Sultan's
wishes!

Jezebel sets in motion a disciplinary revolving rack on one of the captured harem girls!

Jezebel continues her inspection tour of the captive girls taken in on recent raids! I see that my work is cut out for me in training you girls for the Sultan!

Your period of discipline will not last long if you obey our rules!

A few hours of penance will make better subjects of them!

Now that I've seen the lot of
you new girls, I think I'll get
back to Jasmin and tell
her of the fate I have
in store for her!

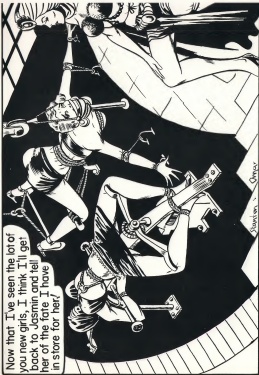

Illustration by: Gimpas

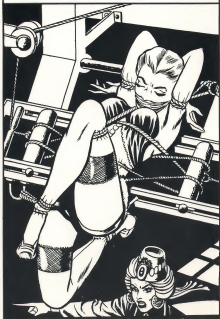

While Jezebel was pre-occupied with the new harem arrivals, Jasmin noticed that her guard was sleeping! Crawling behind her, Jasmin bludgeons her into unconsciousness and seizing her keys, makes her escape!

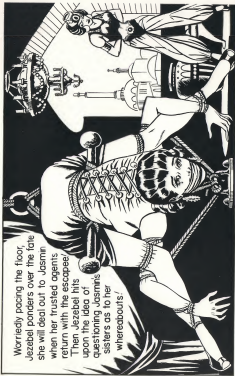

The hapless guard was punished by the strict disciplinarian Jezebel for carelessness in allowing Jasmin to escape!

Jezebel gives orders to some of her followers that Jasmin must be recaptured at all costs, or it would mean their heads!

Worriedly pacing the floor, Jezebel ponders over the fate she will deal out to Jasmin when her trusted agents return with the escapee! Then Jezebel hits upon the idea of questioning Jasmin's sisters as to her whereabouts!

Jezebel questions Jasmin's sister Muriel and after hours of futile interrogation, she is released! Jezebel then turns to Jasmin's younger sister!

Jasmin's younger sister soon breaks down and tells Jezebel that Jasmin is sure to head for the docks to ship out of the country!

As Jasmin is about to sneak aboard a ship leaving port, she is seized by Jezebel's two agents!

In the meantime, Jasmin's sister Muriel has secretly followed the agents and is an interested onlooker to her sisters recapture! Not having any weapons she is powerless to help her sister!

Garefully
keeping out
of sight
Murial trails
behind as the
helpless
Jasmin is
forced along
by her
captors!

Though putting
up a terrific battle,
Jasmin is soon
overpowered
and bound---

Jasmin is brought back to the palace dungeon where Jezebel seeks to work her vengeance out on poor Jasmin while Muriel waits outside hoping she can get an opportunity to rescue her sister!

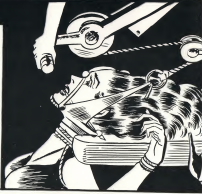

"Once again you
are in my power,
Jasmin! This time
I'll make sure that
you do not escape
my vengeance,"
gloats Jezebel!

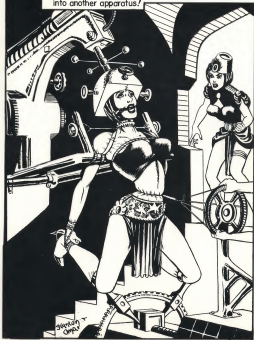

Jezebel has Jasmin's face bound with thin strips of untanned leather, which are then wet with water!

When the leather strips dry out, they will contract, biting into the skin and destroying your beauty, says Jezebel!

Jezebel soon tires of waiting for the thin strips of leather to contract as the sweat pouring from Jasmin's face keeps the leather moist, so she puts Jasmin into another apparatus!

Putting Jasmin in a "Jacks," contrivance still does not break down Jasmin's will, and as it is strenuous work to operate, Jezebel again tires and tries another gadget!

Receiving a call to attend to some other business of the Sultans, Jezebel has to go away, and doesn't notice Muriel, Jasmin's sister, lurking behind a doorway, waiting her chance to free Jasmin!

Watching Jazebel leave, Muriel waits till she is out of sight before seizing the opportunity to set Jasmin free!

Muriel works to free Jasmin from the complicated apparatus before Jezebel returns!

Jumping a harem
guard, Jasmin and
Muriel stifle her
outcry before she
can spread the
alarm!

Hastily binding the
harem guard, Jasmin,
puts her in an apparatus
similar to one she had
been in before!

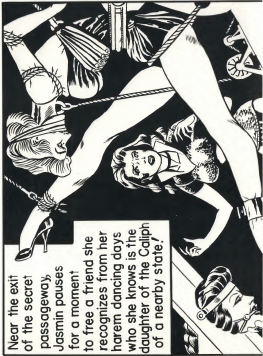

Going through the secret passageways Jasmin and Muriel are amazed at the amount of captive girls they encounter!

Compelling the guard to tell them of a way to escape the dungeons unnoticed, Muriel and Jasmin gag the guard again and go on their way!

Near the exit of the secret passageway, Jasmin pauses for a moment to free a friend she recognizes from her harem dancing days who she knows is the daughter of the Caliph of a nearby state!

Jasmin stops to free the captive Helen and together they escape the dungeons!

Jasmin and
Muriel rest up at
the palace of the
Caliph, while Helen
tells them how
she was accidentally
caught in the raid
by Jezebel's
Black Raiders!

Knowing it meant death if her identity were known, she disguised herself as a harem dancing girl and was forced into a gadget and trans-ported to the harem of Sultan Abou Ben Fez!

Summoned to dance and entertain the Sultan, Helen, being unable to dance and afraid to reveal who she really is --- --refuses to entertain!! This insults the Sultan who then orders her to dance or suffer the consequences!

Helen continues her story about how she came to be in the dungeon! "When I steadfastly refused to dance, the Sultan was furious and turned me over to Jezebel, his head mistress for punishment in the dungeon!"

Jezebel, anxious
to please the Sultan
tried to break my will
by various gadgets
and apparatuses!!
Her facile mind
devised ingenious
methods that put
a strain on myself
both mentally
and bodily!!

But I was
determined
that nothing
could make
me entertain
the Sultan!

"When I still refused to comply with the Sultan's wishes," Helen continues, "I was kept in bondage, and unfortunately I was recognized by two followers of the Sultan who decided to hold me for ransom instead of killing me! Soon after two emissaries were sent to my father with a demand for ransom money!"

My father, the Caliph, indignantly refused to pay and had the emissaries seized and put into bondage until a truce could be made and a safe return of myself was assured!

"Since you were one of the Sultan's favorites before falling into his displeasure, why don't you and Muriel dress up in the emissary's costumes and personally speak to the Sultan?-----

Convince him it is best to call off this impending war and save needless bloodshed," Helen asks Jasmin! Jasmin and Muriel agree and go to question the emissaries!

After donning the emissary's clothing and checking to see that there were in escape proof bondage, they set out to see the Sultan!

Masking their face to avoid being recognized, Jasmin and Muriel, armed with a note from the Caliph, venture into the Sultan's Palace in a bold attempt to settle the dispute!

Jasmin and Muriel
near the guarded
quarters of the
Sultan but are
halted to be
questioned
by a guard!

Quickly seizing the
guard they gag and
bind her before
the palace is
aroused and an
alarm given!!

Jasmin and Muriel
had just finished
binding up the guard
when the muffled
outcry brings
Jezebel to the
scene!!

Quickly sounding the alarm, Jasmin and Muriel are again captured and before the Sultan was aware of what was happening they were severely bound and gagged!!

The harem of the Sultan Abou Ben Fez, located in a small citadel of Azia, was ruled by his head mistress, Jezebel, with an iron hand! Jezebel who knows all the Sultan's whims and fancies, aspired to rule over the entire land, but the Sultan's favorite harem dancer, Jasmin stood in her way! Making up a story that Jasmin had consorted with the Palace guards, Jezebel has Jasmin brought down to the Palace dungeon!

The jealous
Jezebel gloats
over the iron
brank on the
frightened Jasmin
and tells her that
the worst is yet
to come for
her!

Leading Jasmin on
a tour of the dungeon,
Jezebel points out to
her the predicament
of a former favorite
of the Sultan!

Reading from a long list, Jezebel states the reasons why some of the unruly girls are being punished!

This girl in the head stocks had committed the unforgivable crime of unveiling her face before strangers in the presence of the Sultan and had to stay imprisoned thusly for the period of one year !

The girl you see bound and gagged above was placed here for performing the dance of the Seven Veils in public which had been forbidden by the Sultan! Now I think it is time to mete out to you the punishment decreed by the Sultan for your grave offence to him!
